## ATM'S PROVIDE AROUND THE CLOCK BANKING ANY TIME, ANY DAY, IN ANY TOWN.

Your TACU ATM card lets you make deposits (not at all ATMs) and withdrawals whenever you want. Getting cash couldn't be easier. You can withdraw up to \$1000.00 each day. Individual ATM limits may not let you withdraw that amount at one time.

Your account is secure with an ATM card, because you have a Personal Identification Number (PIN) that acts as your signature at the ATM machine. Without your PIN, your card cannot be used.

You decide which account(s) you want to access with your ATM atm, share accounts and\ or share draft accounts. It couldn't be easier!

Speaking of easy, your card will allow you to access your account(s) at hundreds of locations across the nation.
