

ATTENTION MEMBERS,

In this time of global crisis, we at Tahquamenon Area Credit Union want you to know we are looking out for you. The health and safety of our members and staff are of the utmost importance and plans are in place to maintain the safest environment possible while still providing you with the best possible service.

As always, some of the best ways to slow the spread of any illness are frequent hand washing and covering your mouth and nose when coughing or sneezing. To help prevent the spread of viruses in our lobbies, disinfectants and disinfecting sprays are in use. All members, especially those with sensitivities are encouraged to use our other services.
