

COVID-19 Update

7/6/2020

As we continue to monitor the latest available information regarding COVID-19, the health and safety of our members, staff and community are of the utmost importance.

In light of the current status of the pandemic in the communities we serve, all TACU lobbies will reopen effective **Monday, July 6th**.

Please note that entry to all TACU facilities will be limited to our **lobbies only (without an appointment)**. Public restrooms and drinking fountains will not be available until further notice.

We ask that during your visit you please wear a mask, practice social distancing, minimize contact with surfaces, and be patient as we are sanitizing frequently.

We will continue to monitor the latest information available from health officials on the situation and further changes to service levels may be possible if conditions warrant them.

The Board of Directors and Staff of Tahquamenon Area Credit Union thank you for your continued patience and understanding during these uncertain times.

Chris Ison
President/CEO
